At its Full Board meeting on July 22, 2010, Community Board 2 (Manhattan) adopted the following resolution:

### **RESOLUTION STATING CB 2'S SUPPORT FOR THE CONTINUATION OF HEALTH CARE SERVICES ON THE FORMER ST. VINCENT'S CAMPUS**

**WHEREAS**, the closure of St. Vincent's Hospital has resulted in the community's loss of an emergency room, in-patient hospital, Level 1 trauma center and the capacity to address a widespread public health emergency such as a natural disaster or act of terrorism, creating a significant gap in the health care services available to the residents of this community board and the entire Lower West Side of Manhattan; and

**WHEREAS**, as heard by the community board during the June 14 and July 15, 2010 public hearings and at previous community meetings, there is widespread public support for the re-establishment of a full-service, acute care hospital on the former St. Vincent's campus, and the community board reiterates its strong support for such a hospital at such location, as well; and

**WHEREAS**, all or part of the current St. Vincent's campus is the most logical, cost-effective, and central location for the re-establishment of such a hospital or other health care facility that will adequately address the community's myriad health care needs, and, in fact, may be the only location suitable for such a facility, which compounds the urgency of this resolution.

**THEREFORE BE IT RESOLVED** that Community Board No. 2 opposes all changes in land use laws, zoning rules, landmarks laws, or any other laws that would eliminate hospital uses at the site of the former St. Vincent's; and

**THEREFORE BE IT RESOLVED** that CB2 shall seek to petition the Bankruptcy Court and create a community committee to explore in a publicly transparent manner, all options for the St. Vincent's campus, and requests assistance from

the NYC Corporation Counsel to assert such a petition; and

**THEREFORE BE IT RESOLVED** that CB2 urges our elected officials to join the Community Board in this petition.

Vote: Passed, with 29 Board members in favor, 6 against-(Ashkinazy, Cannistraci, Morellet, Meadows, Reck, Secunda), and 2 abstentions-(Hamilton, Kent)

Please advise us of any decision or action taken in response to this resolution.

Sincerely,

Jo Hamilton  
Chair
